The American Academy of Pediatrics (AAP) Committee on Pediatric Emergency Medicine has completed revision of an existing AAP policy statement entitled **"Pediatric Care Recommendations for Freestanding Urgent Care Facilities."** We invite your organization to review it (ATTACHMENT 1).

Please note that this document has not yet been approved by the AAP Board of Directors, is not yet considered policy, and is therefore embargoed until publication and considered confidential and should not be distributed

broadly beyond the intended scope of this request. If you choose to share it with multiple members of your organization, please ask that they return their comments to you or the individual designated to incorporate comments into a single organizational response by the requested deadline.

The deadline for review is February 4, 2013.

We would appreciate a single response that represents review comments from your organization using the attached form (ATTACHMENT 2), to be returned to stellez@aap.org

Thank you.

Sincerely,
Susan M. Tellez
