This first-class educational program delivers the tools and information needed to ensure the efficient and effective operation of state regulatory boards. Designed for assistant attorneys general and board attorneys, the RLS will cover topics related to administrative law and representing regulatory boards. The popular two hour optional Thursday evening Professional Responsibility (Ethics) Training will return. The RLS is always interactive and will provide an unparalleled opportunity to network with members of the regulatory community across jurisdictions and professions. As always, throughout the conference, relevant Top Regulatory Cases, videos and news stories will be presented.

## FEES

Registration fee for the Thursday Professional Responsibility (Ethics) session is \$215.00 and includes beverages and light snacks. Registration fee for the RLS is \$800.00 for members and \$900.00 for non-members and includes daily breakfast, lunch on Friday, and a reception Friday evening.

Please forward the registration fee to FARB as soon as possible. If the fee is not available at the time of registration, it may be sent later or paid upon arrival at the conference.

## ETHICS TRAINING

This interactive session titled “Ethics in an Administrative Law Setting” is designed as a primer on legal ethics for regulatory attorneys. This course includes an analysis of the Rules of Professional Conduct as they relate to the government attorney or the attorney who represents a government agency. Likewise, the content focuses on court cases involving the Rules of Professional Conduct as they relate to legal ethics for the government attorney and the duties of those attorneys to the judicial system, the public, clients, and other attorneys.

FARB is an approved Illinois Minimum Continuing Legal Education (CLE) course provider. We anticipate attendees will earn 12.5 CLE credit hours at the RLS. Attendees can anticipate an additional two hours of Professional Responsibility (Ethics) CLE credit if attending the optional Ethics in an Administrative Law Setting course. Other professions may be able to use FARB courses as continuing education. Attendees must submit required information to their appropriate jurisdictions as necessary.

Prior to the conference, all attendees will receive an email with instructions on how to access the meeting materials online. The meeting website with the materials will be accessible during the conference via Wi-Fi.
