Brainstorm Action Plan Items for 2013 AVL Committee Workplan

- Identification of standards related to states’ local EMS agency licensure
 - Requirements for new/initial agency license for ground 911 response
 - Prerequisite requirements (CON, local governmental endorsement, other)
 - 24/7 response required, if not, what does that look like
 - Personnel
 - Medical Equipment
 - Medical Direction
 - Data collection and submission
 - Etc.
 - Turn that into a survey?
 - Volunteers for small workgroup and workgroup lead
- (Committee could choose one or two of the following to write up as part of the 2013 workplan)
Identification of state practices and proposed approaches to standardization related to:
 - EMS vehicle inspections
 - EMS agency inspections
 - Complaint management
 - Agency investigations, sanctions, and administrative actions related to EMS agency licensure
 - Quality Improvement
 - Should we prioritize and select one or two of these to add to the 2013 workplan?

- Volunteers for small workgroup and workgroup lead

Next AVL Committee Meeting

- Thursday November 22, 2012 is THANKSGIVING. Propose reschedule to Tuesday November 20 at 11:00 eastern, 10:00 central, 9:00 mountain, 8:00 pacific? This is important due to the MRAVD Project Team meeting November 29-30.

New Business/Other

Thought provoker: will we see the day when there's a bevy of data about the performance of EMS industry vehicles and characteristics collected and analyzed by US DOT? <http://fastlane.dot.gov/2012/10/-bts-marks-20-years-of-delivering-transportation-data.html>
