

DRAFT AVL Survey on Licensure of EMS Transport Agencies (Ground and Helicopter) Based Out of State

These questions do NOT apply to unanticipated mutual aid, rare or unusual circumstances or disasters.

1. Please provide contact information for the state EMS office employee with primary responsibility for EMS agency licensure in your state:
2. Is this person also responsible for enforcement post licensure? If not, please provide contact information:
3. Does your state already have laws and or rules governing licensure of EMS transport agencies based out of state (OOS) functioning in your state?
  - a. No
  - b. Yes
    - i. Law link(s)
      1. If this link leads to multiple sections, please provide the relevant section #(s):
    - ii. Rule link(s)
      1. If this link leads to multiple sections, please provide the relevant section #(s):
4. Does your state exempt OOS ground EMS agencies from licensure if the patient transport originates OOS and terminates in your state? (check all that apply)
  - a. No (meaning they must hold a license in your state)
  - b. Yes in all circumstances
  - c. Yes only if it is an interfacility transport
  - d. Yes only if it is a 9-1-1 response
  - e. Yes based on other conditions (e.g., frequency) describe:
5. Does your state exempt OOS helicopter EMS agencies from licensure if the patient transport originates OOS and terminates in your state? (check all that apply)
  - a. No (meaning they must hold a license in your state)
  - b. Yes in all circumstances
  - c. Yes only if it is an interfacility transport
  - d. Yes only if it is a 9-1-1 response
  - e. Yes based on other conditions (e.g., frequency) describe:
6. Does your state exempt OOS ground EMS agencies from licensure if the patient transport originates in your state and terminates OOS? (check all that apply)
  - a. No (meaning they must hold a license in your state)
  - b. Yes in all circumstances
  - c. Yes only if it is an interfacility transport

- d. Yes only if it is a 9-1-1 response
  - e. Yes based on other conditions (e.g., frequency) describe:
7. Does your state exempt OOS helicopter EMS agencies from licensure if the patient transport originates in your state and terminates OOS? (check all that apply)
- a. No (meaning they must hold a license in your state)
  - b. Yes in all circumstances
  - c. Yes only if it is an interfacility transport
  - d. Yes only if it is a 9-1-1 response
  - e. Yes based on other conditions (e.g., frequency) describe:
8. Does your state exempt OOS ground EMS agencies from licensure if the patient transport BOTH originates and terminates in your state? (check all that apply)
- a. No (meaning they must hold a license in your state)
  - b. Yes in all circumstances
  - c. Yes only if it is an interfacility transport
  - d. Yes only if it is a 9-1-1 response
  - e. Yes based on other conditions (e.g., frequency) describe:
9. Does your state exempt OOS helicopter EMS agencies from licensure if the patient transport BOTH originates and terminates in your state? (check all that apply)
- a. No (meaning they must hold a license in your state)
  - b. Yes in all circumstances
  - c. Yes only if it is an interfacility transport
  - d. Yes only if it is a 9-1-1 response
  - e. Yes based on other conditions (e.g., frequency) describe:
10. Under what circumstances must an OOS ground agency submit patient care records to your office? (check all that apply):
- a. Only if they are licensed by my state
  - b. For all patients whose origin is in my state
  - c. For all patients whose destination is in my state
  - d. For all patients whose origin and destination are both in my state
  - e. Other/comments:
11. If a neighboring state EMS office contacted your office and advised they were conducting an investigation on a transport into their state by an EMS agency that you license, would you be able to share the patient care record with them if it was submitted to your state?
- a. No
    - i. Explain why
  - b. Yes
  - c. Yes under specific conditions:

i. List the conditions

12. Do you have unresolved issues/challenges related to EMS agencies of any kind based out of state? (these responses will be aggregated and not labelled by state):
13. Do you have a mechanism by which you exempt an OOS agency from licensure by your state based on the license they hold in another state? Describe, provide a link if different from those provided above.
14. Do you have the ability to issue cease and desist orders to EMS transport agencies functioning in your state if they are not licensed by your state? Describe, provide a link to your rules citing this authority if different from those provided above.
15. Do you have any history of legal action filed by your state other than cease and desist orders against EMS transport agencies not licensed by your state in the last ten years?
  - a. If yes, describe briefly, these responses will be aggregated and not labelled by state
16. Do you have any history of legal action filed by EMS transport agencies not licensed by your state against your state in the last ten years?
  - a. If yes, describe briefly, these responses will be aggregated and not labelled by state
