

Tentative Interim Amendment

NFPA[®] 1917
Standard for Automotive Ambulances
2013 Edition

Reference: 4.12.3

TIA 13-1

(SC 13-3-16/TIA Log #1089)

Pursuant to Section 5 of the NFPA *Regulations Governing the Development of NFPA Standards*, the National Fire Protection Association has issued the following Tentative Interim Amendment to NFPA 1917, *Standard for Automotive Ambulances*, 2013 edition. The TIA was processed by the Technical Committee on Ambulances, and was issued by the Standards Council on March 7, 2013, with an effective date of March 27, 2013.

A Tentative Interim Amendment is tentative because it has not been processed through the entire standards-making procedures. It is interim because it is effective only between editions of the standard. A TIA automatically becomes a public input of the proponent for the next edition of the standard; as such, it then is subject to all of the procedures of the standards-making process.

1. Delete 4.12.3 in its entirety and renumber 4.12.4 and its Annex material.

Issue Date: March 7, 2013
