MEETING MINUTES

Partner Reports

NHTSA Office of EMS

- PPE Form for Identifying Critical Stress/Needs – Eric briefed the members that progress is being made on the process for EMS agencies to report PPE related issues. He emphasized this is NOT intended to bypass local, state, and national resource management efforts.
- EMS System Closure Reporting – Eric asked that NHTSA be notified of any ambulance service closures related to pandemic issues, including financial insolvency.

NEMESIS TAC

- Review of National Custom Value Guidelines – Clay highlighted a document titled [*Infectious Disease national Custom Elements*](#).
- Moving Suggested Lists to Defined Lists – Clay teased the members with a working draft of the slide deck and summarized what to expect going forward as this project wraps up and the resources are published.
- Release of State/County Identifiers for Public Health Surveillance – Clay mentioned a resolution is being drafted for consideration at the next meeting.
- Requests for State Training – Julianne mentioned several trainings in development and requested that states suggest topics for consideration.
- Boot Camp and Annual Meeting – Julianne reported on the Boot Camp registration and feedback.

Call For Items On Next Agenda
