

## **Pediatric Emergency Care Council**

The **Pediatric Emergency Care Council (PECC)** of the National Association of State EMS Officials (NASEMSO) maintains a vision to improve health outcomes for children by promoting an emergency medical care system that addresses the unique needs of children. This is achieved through a mission to provide leadership, promote policies and research, and share resources to improve the emergency medical care system for children.

## Pediatric Emergency Care Council

### *Leadership*

The Pediatric Emergency Care Council supports leadership under these principle goals:

-  **Goal #1:** Establish and maintain cohesive relationships with NASEMSO councils and committees and professional organizations
-  **Goal #2:** Collaborate with the Education and Professional Standards Council on recommendations for core & continuing education standards
-  **Goal #3:** Establish and maintain partnerships with state, regional and federal organizations for continued injury prevention collaboration
-  **Goal #4:** Collaborate with leadership of HRSA/MCHB in managing challenges for states related to the federal EMSC program and other national initiatives relating to quality emergency pediatric care for children

## Pediatric Emergency Care Council

### *Systems Development*

The Pediatric Emergency Care Council supports systems development under these principle goals:

- 🏥 **Goal #5:** Provide states with a listing of linkages or references to best practices for emergency pediatric care
- 🏥 **Goal #6:** Collaborate with the Trauma Managers Council on their prioritized action areas, including rural trauma, telemedicine, and special populations

## Pediatric Emergency Care Council

### *Quality Improvement – “QI”*

The Pediatric Emergency Care Council supports performance improvement under these principle goals:

- 🏠 **Goal #7:** Identify quality indicators to evaluate and improve pediatric emergency care across the continuum of EMS Systems

## Pediatric Emergency Care Council

The Pediatric Emergency Care Council's 2013 workplan will undertake strategies focused on the following issues:

-  **Issue #1:** Maintain Safely Transporting Children in Emergency Vehicles document
-  **Issue #2:** Maintain online resources for family-centered care, children with special health care needs and & children in disasters
-  **Issue #3:** Maintain State of the State Reports
-  **Issue #4:** Continue work on mentorship program
