Minutes from the November 20, 2012 DMC Monthly Meeting Minutes

The minutes from the November 20, 2012 have been lost.

Old Business**Data Review update**

Josh Legler: Reviewed the NEMSIS Cause of Injury list. The list contained over 7,749 ICD – 10 codes. The group was able to identify roughly 300 Cause of Injury ICD-10 codes. Next meeting will be on April 9, 2013 to complete the list for submission to the NEMSIS TAC. Some ICD-10 identifiers may require EMS friendly terms.

Validity Rules

Lindsey Narloch: About 10 states have submitted their validity rules. If you have not submitted your validity rule please email them to Lindsey.

Items tabled at the discretion of the Chair

Joe Moreland: Tabled the following items until next meeting in April. They were the Mid-year meeting, Data Manager Job description, and Work plan.

Connecticut needs assistance

Jean Speck: Querying the data from a program called STATA – Data Analysis and Statistical Software. Need help with using this software to run reports.

New Business**Delegation**

Joe Moreland: Needs someone to be a liaison on the Joint National EMS Leadership Forum. Currently committed to various committees and cloning has not been approved for human use yet. If you are interested send Joe an email with an updated resume or Curriculum vitae (CV) and he will pass off to the NASEMSO board.

Data Managers Survey**Data Managers Survey**

Joe Moreland: Started the conversation on the Data Managers survey.

Ryan Tyler: Due to issues that are out of the hands of the Chair and Secretary, there are no voice minutes for our discussion on the survey. Chair and Secretary have made a contingency plan of recording the conversation on an external device for review. Please look over the mark ups on the Data Survey. Due to time issues and great discussion, the council will reconvene on Tuesday April 2, 2013 at 1:30 pm (CST) to complete the survey.
