

Agency & Vehicle Licensure (AVL) Committee

Meeting Notes April 27, 2017 12pm

Call to Order, Welcome, Introductions **12:01**

Review and Approve March 23, 2016 Meeting Record/Notes

Review and Approval by group

Remount Update - EMS Insider had an article on this issue, and the CAAS Summit is on June 9, Charlotte, NC. 12-5. Chairmen Berg has learned that 100 + will attend, CAAS GVS workgroup from there to set standards after meeting. The group discussed the importance of this issues being addressed in all the standards and cited the work-taking place by CAAS as well as NFPA.

Chair Berg conducted a straw poll by voice regarding bringing the position of the AVL committee on remounts to NASEMSO Executive Committee.

NFPA 1917 Update - January 2018, version published for public comment, period still open. Remounts will be discussed at August meeting of the 1917 Technical Committee and considered as a stand-alone document.

Change Order #10 - seeking comment, July 1 2017, cabinets, excursion zones, and modular test

Development of Model Rules Draft Discussion

Continued Work Session - Model Ambulance Rules

Closing **12:56**

Next Meeting - May 25, 2017 12:00pm
