**Air Medical Committee
Meeting
Agenda**

Wednesday, May 15, 2019
8:00 – 9:30 AM

Marriott Salt Lake Downtown City Creek Hotel
Salt Lake City, Utah

1. Welcome – Joe House (KS), Chair
2. Roundtable discussion on any state legislative initiatives that impact the air ambulance industry.
 - a. Are there any legislative items that NASEMSO should weigh in upon or has the ability to provide data to support/oppose?
3. Topic discussion: discuss how to manage these issues and perhaps create work groups on any or all to follow up on necessary work after the Annual Meeting:
 - a. Appropriate utilization of air ambulances –
 - i. Are there tools out there that measure this already? A utilization review is done by many air ambulance services.
 - ii. Establishment of guidelines of how to measure
 - b. Performance measures – quality of patient care
 - i. Establishment of 2-3 performance measures to monitor the quality of patient care being provided by air ambulance services.
 - c. Location of air medical resources (where are the bases?)
 - i. Single map resource of the base location for all air medical resources in each of our member states along with service information.
4. Possible NASEMSO position statement on seeking exemption of air ambulance services providing emergency transportation from the provisions/protections of the Airline Deregulation Act.
5. Revisit 2007 NASEMSO/NAEMSP Air Medical paper.
6. Other Business
