

## CALL FOR ABSTRACTS

### NAEMSO Annual Meeting 2022

Charleston, South  
Carolina

June 19-23, 2022

The purpose of the NAEMSO abstract competition is to foster EMS and trauma system research and performance improvement in state EMS offices.

#### Accepted Topics/Components:

Abstracts must include: 1) INTRODUCTION, 2) OBJECTIVE, 3) METHODS, 4) RESULTS, and 5) CONCLUSION for a system performance improvement topic or epidemiological study related to EMS or trauma, such as: time sensitive illness or injury, education, special populations, and data linkage.

**Eligible Participants:** A member of a state EMS office must be a listed author. EMSC staff and contracted medical directors are also eligible.

**Judging Criteria:** Abstracts will be judged by a team of state EMS officials on the authors' ability to **describe, analyze, intervene, measure, and implement** their idea into the state system.

Judges will also consider the **complexity** and **potential impact** of the research or initiative.

**Format:** Entries must be submitted in abstract format and be no more than two pages in length, 12-point font, Times New Roman, 0.5" margins.

**Display Format:** Entrants are strongly encouraged to display posters summarizing their work at the meeting. The information should be printed on a single 24" by 36" poster.

**Abstract Due Date:** May 16, 2022

**Awards:** The top 3 winners will be awarded complimentary meeting registration at a future NAEMSO meeting for themselves or office member.
