

CALL FOR ABSTRACTS

NASEMSO Annual Meeting 2023

Reno, Nevada

June 11-15, 2023

The purpose of the NASEMSO abstract competition is to foster EMS and trauma system research and performance improvement in state EMS offices.

Accepted Topics/Components:

Abstracts must include: 1) INTRODUCTION, 2) OBJECTIVE, 3) METHODS, 4) RESULTS, and 5) CONCLUSION for a system performance improvement topic or epidemiological study related to EMS or trauma, such as: time sensitive illness or injury, education, special populations, and data linkage.

Eligible Participants: A member of a state EMS office must be a listed author. EMSC staff and contracted medical directors are also eligible.

Judging Criteria: Abstracts will be judged by a team of state EMS officials on the authors' ability to **describe, analyze, intervene, measure, and implement** their idea into the state system.

Judges will also consider the **complexity** and **potential impact** of the research or initiative.

Format: Entries must be submitted in abstract format and be no more than two pages in length, 12-point font, Times New Roman, 0.5" margins.

Display Format: Entrants are strongly encouraged to display posters summarizing their work at the meeting. The information should be printed on a single 24" by 36" poster.

Abstract Due Date: May 1, 2023

Awards: The top 3 winners will be awarded complimentary meeting registration at a future NASEMSO meeting for themselves or office member.
