Paramedics

Survey Question:

Please select the response that matches the current regulatory conditions related to administration of vaccinations via the intramuscular route in your state (for Paramedics).

- May always perform under the current state scope of practice or local medical director discretion
- May currently/temporarily perform under an emergency/executive order or other administrative action
- May not perform
- Do not license/certify at this level

Chart 1: Paramedic

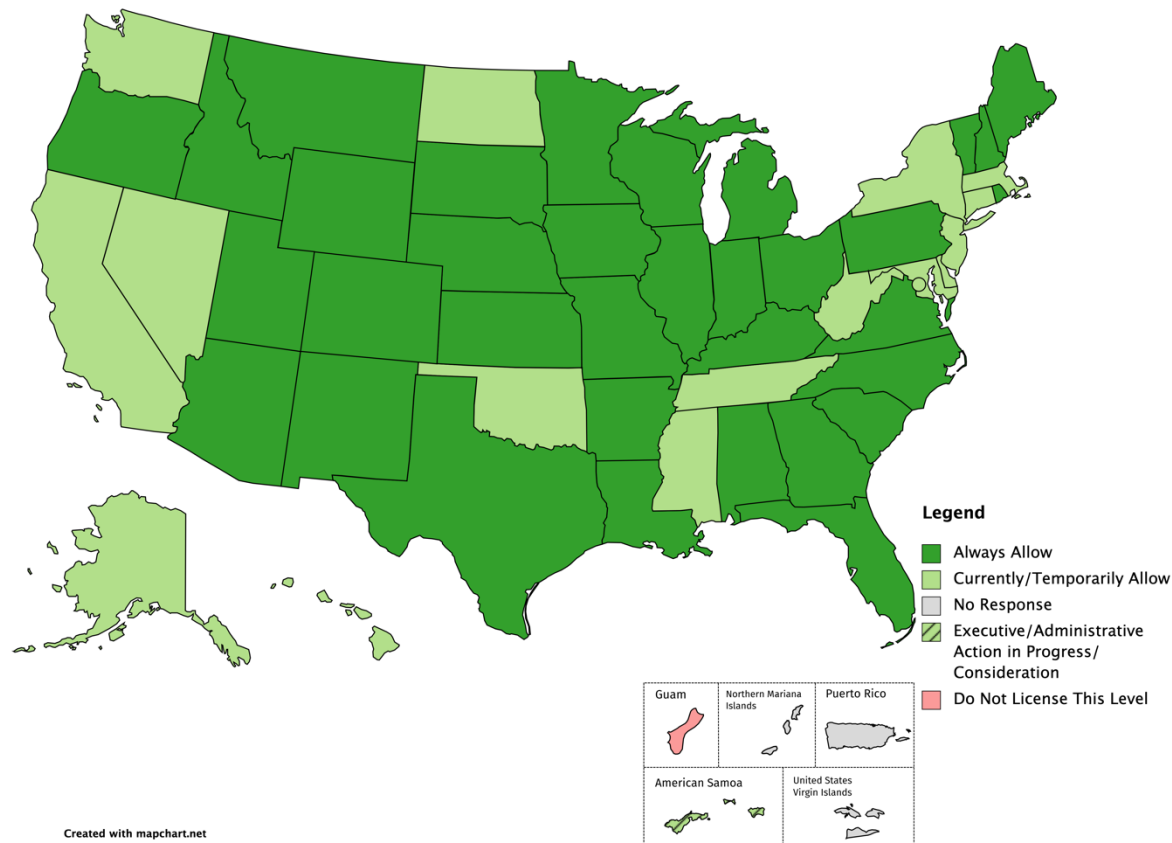

Figure 1: Paramedic

Reviewer's Notes:

- In the "Always Allow" and "Currently/Temporarily Allow" response categories, it is acknowledged that additional criteria may be required at the local/individual level before vaccinations can be administered.
- Based on follow up with respondents, "Executive/Administrative Action in Progress/Consideration" added as a response.

Advanced-Emergency Medical Technician (AEMT)

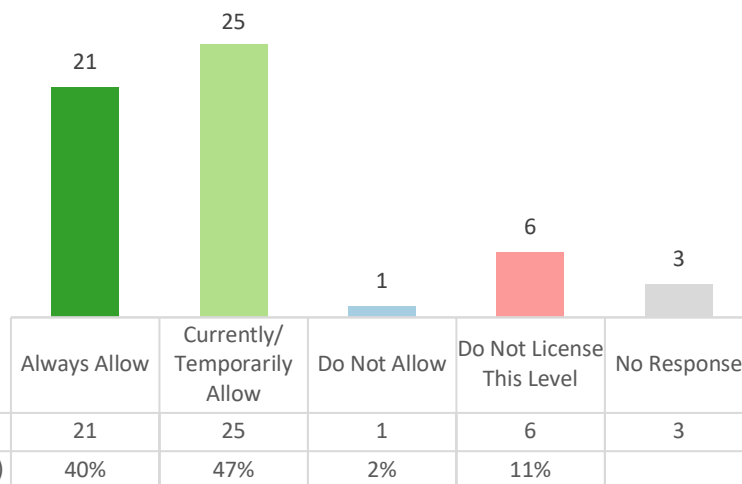

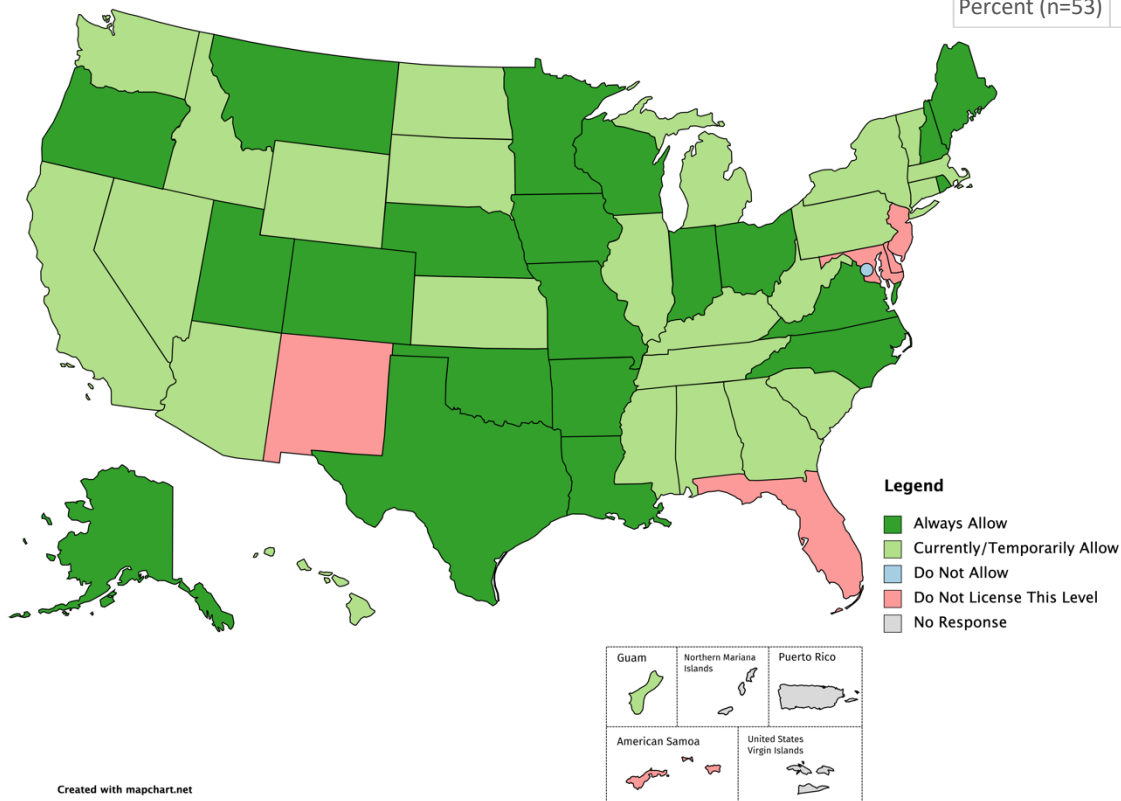

Chart 2: AEMT
