Secretary's Report

Spring Meeting minutes were approved as amended by a motion from Chip Cooper with a second by Bob Norlen. Motion passed with two abstentions .

Council

- Discussion that the meeting went well. Chip felt that the change in phones improved his ability to attend.
- Lindsey announced the election of Chair-Elect Kevin Putnam from our previous meeting.
- It was also mentioned that there are several Data Managers that sit on other committees.

Compass

- The most recent recommendations have been provided in plain English. They are seeking comment on the proposed measures.
- Some of the measures seem to be more theoretical than real world. Discussion followed. Hope was that these measures would become more usable as we move forward.

NEMESIS TAC Time

- Karen continued her presentation from the Spring Meeting that got cut short. Survey related to EMSC measures was reviewed. Several members volunteered to help Karen review the survey questions.
- Josh then showed the Agency Service Area Builder. This would allow services to identify the area they cover in their state.
- Karen reviewed the newly approved SnowMed codes that now have a code that is outside the current field parameters. Critical Patch was discussed about the need to allow implementation into v3.4.

Other Business

- Due to time, no other business was brought forward.

Adjournment

- There being no further business, the call concluded.
- The next DMC meeting will be Tuesday, May 17, 2016 2:30-4:00pm (EDST).
- Meeting Record respectfully submitted by Secretary Chuck Happel
