PROGRAM FOCUS AREAS

At a glance

Disaster Preparedness

- We've recently started working with the Preparedness section of our Bureau to better coordinate resources and trainings

Emergency & Trauma Care

- Supporting Rural Trauma Team Development Courses which involve pediatric scenarios and pediatric trauma
- We also support the Idaho Simulation Network, who travels around the state and provides pediatric scenarios with a high-fidelity mannequin to EMS agencies

Education & Training

- Currently supporting Emergency Pediatric Care (EPC) courses
- Working with Wyoming EMSC and ENA in Idaho and Wyoming
- We also assist with paying for Rural Trauma Team Development Courses - which has a pediatric component to it along with pediatric simulations at the end of the day

Pediatric Emergency Care Facility Recognition Program

- Currently, we have a designation process for Pediatric Trauma

Pediatric Recognition Program

- We had our first "Pediatric Provider of the Year Award" last year
