  - 11:10 **State Reports** - All
  - 12:00 **LUNCH on you own**
  - 1:30 **State Reports (cont.)**
  - 1:50 **Non-Transport Payment Initiatives** (ASH Initiative on CARES, ET3) – Dr. Doug Kupas (PA)
  - 2:10 **Opioid Initiatives in Indiana** – Dr. Michael Kaufman (IN)
  - 2:30 **BREAK**
  - 3:00 **Joint Meeting with Trauma Managers Council: NASEMSO/Biospatial Collaborative - What Is It and What Can It Do for Your System?** - Josh Walters, Vice President of Product, Biospatial and Dave Zaiman, Director, Data Partnerships (Salon E)
- The Biospatial Platform has been enhanced to provide state and local EMS officials with data-driven insight into critical care issues such as opioid overdose, motor vehicle injury, operational performance metrics and benchmarks, and actionable alerting capabilities. To enrich these capabilities, the Biospatial Platform uses machine learning to probabilistically link records across multiple data sources, including EMS, trauma registry, motor vehicle crash, and other health and safety-related data sources.*
- 4:00 **State Reports (cont.)**
  - 4:30 Recess until Tuesday, May 14

5:00 **Pizza and Beer with the National Registry of EMTs**

*State EMS directors, licensing officials, medical directors and other invited guests will join the National Registry for an informal dinner, discussion, and feedback session with the National Registry's leadership.*

**May 14**

8:00 **State Reports (cont.)**

10:00 **BREAK**

10:30 **Resuscitation Centers – Dr. Ken Scheppke (FL)**
