

COVID-19 PPE Supplies

This survey is being disseminated by Maine EMS in collaboration with the Maine Center for Disease Control and Prevention. It is intended to better understand the current supplies on-hand at licensed-EMS agencies throughout the State of Maine. We kindly ask that one individual from each service complete this survey with the most accurate information available.

* Required

EMS Agency/Service and Respondent Information

Service Name *

Choose 

If your agency is not listed above, please provide the agency name:

Your answer

Name of Person Completing the Survey *
