

NASEMSO Model EMS Clinical Guidelines Project

March 11, 2013

1:30 PM EST

Work Group Meeting

Meeting Record

Attending: Carol Cunningham, Rick Alcorta, Eric Beck, Sabina Braithwaite, Eileen Bulger, Tony Demond, Bill Gerard, Mary Hedges, Brian Moore, Joe Nelson, Manish Shah, Matt Sholl, Peter Taillac, Harry Sibold, Allen Yee

Call to Order and Roll Call – Dr. Carol Cunningham called the meeting to order at 1:32.

Review of Progress/ Feedback

EMS Clinical Guideline Titles – Carol reported that the pediatric group asked that cardiac arrest be divided into adult and pediatric, and that SIDS be moved under cardiac arrest-pediatric. This change was approved by those on the call. Allen Yee suggested that perhaps air medical utilization be placed under an administrative header. There are a few others that may go under administrative as well. This will be discussed later.

Essential Components of Guideline This document was not changed from what was previously developed.

Guideline Groups established – There has been limited activity of the Guideline Groups to date. Groups have been asked to select a lead person who will be responsible for calling meetings and reporting on the work of the group.

Next Steps

Distribute Guideline Titles and Essential Components to EMS stakeholders – Mary will send these first two deliverables to the EMS stakeholder list and request feedback for the work group to review and consider.

Small Guideline Groups will begin meeting and developing their guidelines

Guideline Group Reports – The following leads of the small groups were designated:

Cardiovascular - Eric Beck, Mary-Katherine Harper (assist lead), **Joe Nelson (LEAD)**, Matt Sholl

General Medical/Other - C Cunningham, Tony DeMond, Doug Kupas, Manish Shah, **Allen Yee (LEAD)**

GI/GU/GYN - Eric Beck, Rich Kamin, **Doug Kupas (LEAD)**

Pediatric-specific - Brian Moore, Manish Shah (**CO-LEADS**)

Respiratory - Bill Gerard, Eric Beck, Mary K Harper (assist lead), **Joe Nelson (LEAD)**, Allen Yee

Resuscitation - **Eric Beck (LEAD)**, Rich Kamin, Matt Sholl, Allen Yee

Toxins/Environmental - **Rick Alcorta (LEAD)**, Tony DeMond, C Cunningham, Matt Sholl, Harry Sibold

Trauma (head, multi-system, spine, thorax, extremity, amputation, eye) - Sabina Braithwaite (assist lead), Eileen Bulger, Tony DeMond, Jeff Salomone, **Peter Taillac (LEAD)**

Universal/General Care - Carol Cunningham, **Bill Gerard (LEAD)**

Disclosure Reminder – Mary has received disclosure statements from Bulger, Cunningham, DeMond, Gerard, Kamin, and Sibold. Carol reminded those who have not submitted their disclosure statements to do so.

NASEMSO Model EMS Clinical Guidelines Project

Face to Face Workgroup Meeting – July 30-Aug 1, 2013, Minneapolis, MN (Contract signed with Hotel Minneapolis). Carol announced the work group will meet July 30 (afternoon), July 31 (all day) and August 1 (morning). Mary will email information about meeting dates and location to all for planning purposes.

Questions / Other Considerations – Mary said that we will be able to share a Go-to-Meeting license with another NASEMSO project which is led by Drs. Peter Taillac and Matt Sholl. If anyone needs to schedule a meeting of their small group before then, please contact Mary for access to the Go-to-Meeting account.

Next Meeting – April 8 is the next meeting. Rich Kamin will chair as Carol is unable to attend. The meeting adjourned at 2:10 PM.
