Hello Beth,

We thank NASEMSO for its corporate partnership and support of NAEMT over the last year. Your partnership has helped us provide vital programs and services to our members, and support our mission to represent and serve all EMS practitioners throughout the nation. With the role of EMS expanding within the changing healthcare environment and gaining recognition for delivering quality and cost-effective medical care, we have an opportunity to establish the prominence and longevity of the EMS industry as providers of the very best in patient care.

On 2/28/2015, your corporate partnership will expire. Please, do not let this valuable partnership lapse and forfeit maximizing your brand to our diverse 38,000 NAEMT members.

You can renew your corporate partnership today to continue taking advantage of our unique benefits!

If you have any questions, please contact Melissa Trumbull, Industry Relations Manager, at [melissa.trumbull@naemt.org](mailto:melissa.trumbull@naemt.org) or [443.694.6250](tel:443.694.6250).
