- **NASEMSO Board Retreat** – Dia reported that the current Agenda for December 11-12 has been posted today, and logistics information has been circulated. Paul Patrick asked that each council and committee be prepared to report on the top three issues they are addressing, and also assure that a 2015 workplan is completed.
- **State Ebola Preparedness and Response** – Dia referred the group to a compendium of selected states' preparedness produced earlier this month. She shared that NASEMSO participates in weekly calls with CDC, ASTHO and other national officials.
