Section I – Subordination

A Council may be created by the NASEMSO Board of Directors to represent specialized functions within the state EMS office. No portion of this Charter shall conflict with the NASEMSO Bylaws.

Each Council is a working body of the Association. Councils may present policy and position recommendations to the NASEMSO Board of Directors for approval. External communications are the responsibility of the NASEMSO President and Board of Directors.

Section II – Scope

Each Council will provide a forum for communication, interaction, and networking between peers. This forum will allow for the sharing of best practices; developing and encouraging mentoring programs; the joint resolution of obstacles and challenges; and the nationwide promotion of evidence-based decision making for EMS system development.

Each Council shall develop a mission statement that shall also include a name identifier and vision statement. The Council mission statement will be presented to the NASEMSO Board of Directors for approval.

Section III – Membership

For the purposes of this document, the word “state” shall include the District of Columbia and all other U.S. Territories.

In accordance with NASEMSO Bylaw Section VII, membership of the Council shall be limited to one (1) member from each state as appointed by the State EMS Director. In states where the function represented by the Council is not fulfilled by a state EMS office member, the state director decides who represents their state as the voting representative to the Council. Multiple participants per state on each council can be accommodated via Associate Membership in NASEMSO. The President of NASEMSO may designate one (1) or more State EMS Director(s) as an ex-officio member of the Council.

Section IV – Meetings

In-person meetings shall be held at a minimum of once per year with other meetings called at the discretion of the Council Chair or two-thirds (2/3) of the membership. Meetings shall be held in accordance with Roberts Rules of Order providing these are not inconsistent with this Charter or NASEMSO’s Bylaws. Notice of an in-person meeting and a tentative agenda shall be distributed to the membership at least thirty (30) days prior to the meeting.
Section V - Quorum
A quorum shall consist of ten (10) members present without proxy. Unless otherwise specified in this charter, all decisions shall be decided by majority vote.

Among the Chair’s duties are providing support and direction to Committees; representing the Council at various functions and with other organizations; presiding at meetings of the Council; and performing other duties as required.
The Chair shall serve as both the Chair of the Council’s Steering Committee and the representative of the Council on the NASEMSO Board of Directors.

Duties of the Chair-Elect
The Chair-elect shall assist the Chair in the above duties. The Chair-elect shall perform the duties of the Chair in the absence or disability of that officer and perform other duties as required. If an Officer of the Council ceases to be the designee for the state EMS lead agency, that person shall relinquish the office. If this Officer is the Chair, the Chair-elect shall fill the remainder of that term.
