<b>1:25</b>	<p><b>Engagement &amp; Communication: Amanda</b></p> <p>What should we do to increase member engagement? What should we do to improve communication with members?</p> <ul style="list-style-type: none"> <li>➤ Robin: Benefit from a new representative; put it out there but did not hear anything back. Will reengage.</li> <li>➤ Norma: Try not to bug people too much. Been in constant state of survey. Will wax and wane depending on how busy we are. We have monthly meetings. Want to support other states. Amanda: Would help to get South Regional Alternate. Morgan: Appreciate monthly meetings with opportunity to talk, vent and get support.</li> <li>➤ Erica: About 4-5 months ago started meeting monthly to check-in. Helped bring to light issues such as travel restrictions. Midwest EMSC Conference scheduled for November 3 and 4. Kjelsey shares emails with the region.</li> <li>➤ Rachel: Bi-monthly West Region meetings that include all NASEMSO West Region members. Tried to give up Representative seat, but no takers. Some long-standing vacancies in West, and others unresponsive. Renee: West Region meeting was a good decision. PECC members the most vocal.</li> <li>➤ Amanda: Encourage outreach via phone calls.</li> </ul>

<b>1::45</b>	<b>PECC Welcome Packet and Pediatric Skills Workgroups: Amanda</b> <ul style="list-style-type: none"><li>➤ Norma and Morgan provided brief updates. Workgroups are making forward progress.</li></ul> <b>PECC State Reports: Rachael</b> <ul style="list-style-type: none"><li>➤ Norma: Share info via State Reports on voluntary basis.</li><li>➤ Amanda: Gather resources for specific topics. Suggest pausing state reports; too much effort for the value.</li><li>➤ Rachel: Will be combing through old reports for resources that will be posted on PECC Basecamp. Have been connecting with Rachael on the effort.</li></ul>
