Secretary's Report

Motion made by Charles B. with a second from Doug F. to approve September 18th minutes. Motion passed.

Regional Reports

- **East – Chip Cooper (NH):**
 - The East Region has scheduled their NHTSA phone call which will be held shortly.
- **Great Lakes – Dan Lee (IL):**
 - No Report
- **South – Gary Shirley (TN) Drew Chandler (KY-Alternate):**
 - No Report
- **Western Plains – Jay Ostby (WY):**
 - Had a great Regional meeting in Denver. Discussed sharing Opioid Monitoring in an attempt to do it the same way.
- **West – Anne Vossbrink (AZ):**
 - Wasn't able to attend recent meeting in Idaho. They too have a NHTSA call being setup.

NASEMSO Data Managers Council

MEETING MINUTES

October 15, 2018

Council Project & Committee Reports

- **NASEMSO HITS Committee – Tim Seplaki (NJ):**
 - Group hasn't met for a couple of months due to hurricane landfall affecting some members.
- **NASEMSO Community Paramedicine/MIH Committee – Anne Vossbrink(AZ):**
 - Recent meeting was cancelled. AZ is not getting as involved as initially anticipated. So, if anyone is interested in taking over for Ann, please advise.
- **NASEMSO EMS Data Opioid Workgroup – Tim Seplaki (NJ):**
 - Not much done during the summer. Working on sending out a survey in the next couple of weeks. Only has 12 questions related to status of opioid reporting and monitoring. Currently considering proposing a separate subcommittee within NASEMSO to deal with this subject but will be a workgroup for now.
- **NEMSA Information & Technology Committee – Ridgely Ficks (MA):**
 - Nick Nudell would also consider a replacement

Old Business

None

New Business

None

Partner Reports

- **NHTSA OEMS – Jeremy Kinsman**
 - Looking forward to the upcoming Regional phone calls. Lot of interest in EMS Data and the HIE Integrations.
- **NEMESIS TAC – Dr. Clay Mann**
 - Discussed the current survey for Late Breaking Revisions.
 - https://www.surveymonkey.com/r/LB_SEP2018
 - Reviewed the status of the eDisposition.12 deprecation. Would take it from one to four elements. Chip described how the workgroup came up with these recommendations.
 - The eOutcomes group has only met once but collecting data to provide recommendations.
 - CARES/NEMESIS Harmonization group has met several times. They have another meeting scheduled this week.
 - Suggested List group is looking at the values based on current count submitted.
 - Josh gave an example of the public Performance Measurement Dashboard. It currently has three measures setup. One each for Seizure, Stroke & Trauma.

Other Business

Anne asked if anyone could contact her that are doing HIE Connections. They are considering going down this road and would appreciate any tips from their experience.

Next Meeting

TBD – 2:30p eastern.
