

PEC Council Regional Organization

General

1. Each region elects a Representative and an Alternate Representative to the PECC Steering Committee.
2. Elections are scheduled for the Spring Meeting in the odd year.
3. Each Region can decide whether the vote will occur at the meeting (with proxy as needed) or online.
4. The Regional Representative and Alternate serve two year terms and are eligible for re-election.
5. In the event that the Regional Representative leaves their position, the Alternate Regional Representative fills the remaining term.
6. If both positions become vacant, the Steering Committee will nominate two Council members from the Region with the vacancies and hold an online vote to determine the result. The runner-up will take the Alternate position and both will serve until the next regularly scheduled election where both positions are up for election/re-election.
