

**NASEMSO Personnel Licensure Council**  
**January 22, 2018**  
**Minutes**

1. Stakeholders
  - a. NREMT  
NREMT is in the process of standing up new committees, more information to follow  
Executive search continues
  - b. REPLICIA  
12 states are currently part of the compact  
4 bills are active for this legislative session (SC, NH, NE, MO)  
NREMT has submitted proposals to the administration of REPLICIA and maintenance of the provider database.  
Next full commission meeting in Nashville, Tennessee Feb 26-27, 2018
  
2. Council Appointments  
Several states still have not appointed a representative to the council. Council Officers and Regional Reps will reach out to the states.
  
3. East Regional Rep  
Moved to February agenda
  
4. Council Priority Survey  
The three following items were selected as top priorities of the council:
  - i. Identify training requirements for investigators and inspectors that can be developed into training modules for state EMS offices to utilize
  - ii. Develop strategies to promote EMS providers as allied health care professionals
  - iii. Engage and provide input on EMS agenda 2050 reviews
  
5. NASEMSO Annual PLC Meeting May 21, 22  
Rhode Island Agenda is being developed
  
6. Hot Issues  
Texas: FBI rapback is now included with the background checks, retroactive to person fingerprinted back to 2015.  
Wisconsin: Just had a rules update that now includes community Paramedicine and flexible staffing for EMS vehicles.
