

NASEMSO Personnel Licensure Council

November 27, 2017

Meeting Notes

1. Stakeholders

a. NREMT

Drew Dawson indicated that the NREMT's Board of Directors recently met and will be forwarding a letter to Keith Wages regarding fitness to practice and international providers.

Greg Applegate provided an update on exams:

- The Board has reviewed the EMT passing standard and the current standard will be maintained
- In the future candidates will be allowed to utilize on-line calculators for the exam
- The I/99 examination will sunset on December 31, 2019

b. REPLICA (Sue Prentiss)

The executive has met twice and will be meeting again on December 1.

Meeting notices, minutes, and approved documents can be found at:

<http://www.emsreplica.org/compact-governance-2>

The next full commission meeting will be December 15th and held on GoToMeeting

The next face-to-face meeting will be February 26th in Nashville

South Carolina and New Hampshire plan to file bills in the next legislative session

A new blog post, "REPLICA: What it does not do..." Will be posted today.

2. Mission and Vision Statement Draft

Vision: The vision of the Personnel Licensure Council is to be a national leader in developing and maintaining initial and renewal licensing standards for state EMS offices to assure a safe and competent EMS workforce.

Motion to approve by Slee, Second by Oliveira. Approved

Mission: The mission of the Personnel Licensure Council is to promote the professionalism of EMS personnel, and protect the public, through the development of state EMS office leadership and infrastructure.

Motion to approve by Gray, Second by Hart. Approved

3. Update: Council Priority Survey

The survey will go out soon so the results may be reviewed for the January meeting.

4. Hot Issues

There will be no meeting in December due to the holidays.
Any agenda items for January may be sent to Helen, Jamie or Brett
Next meeting will be January 22
