

NAEMSO Regional Meeting Sponsorships Fall 2021

The National Association of State EMS Officials is the lead national organization for EMS and a respected voice for national EMS policy. NASEMSO is the professional association for state emergency medical services officials. The goal of our more informal Fall meetings is to create a quality experience for our members and attendees. We accomplish this objective through information sharing, discussion on new resources and technologies, highlighting best practices, and a focus on coordinating activities and assets within a specific geographic area.

The 2021 dates and locations will be announced in the spring of 2021 on our web site. NASEMSO welcomes industry partners that wish to enhance learning opportunities through sponsorship. Pricing is per regional meeting.
