New Mexico – General Funds distributed by formula determined by a governor appointed committee (Trauma System Fund Authority). For past three years the fund has been flat at \$3.9 million. Current formula:

Existing Trauma Centers

- 50% Level of designation
- 50% on # and severity of trauma patients (high the severity the more weight the number is given)

Developing Trauma Centers

- Receive $\frac{1}{4}$ of what an existing trauma center received at the level they are applying for, but no money for the number and severity of trauma patients

Pennsylvania – see ACT 84 of 2009-2010 attachment. Formula starts on page 5.
